**DIAL Mobile**

**Telephone Service**

**gives you**

**more speed,**

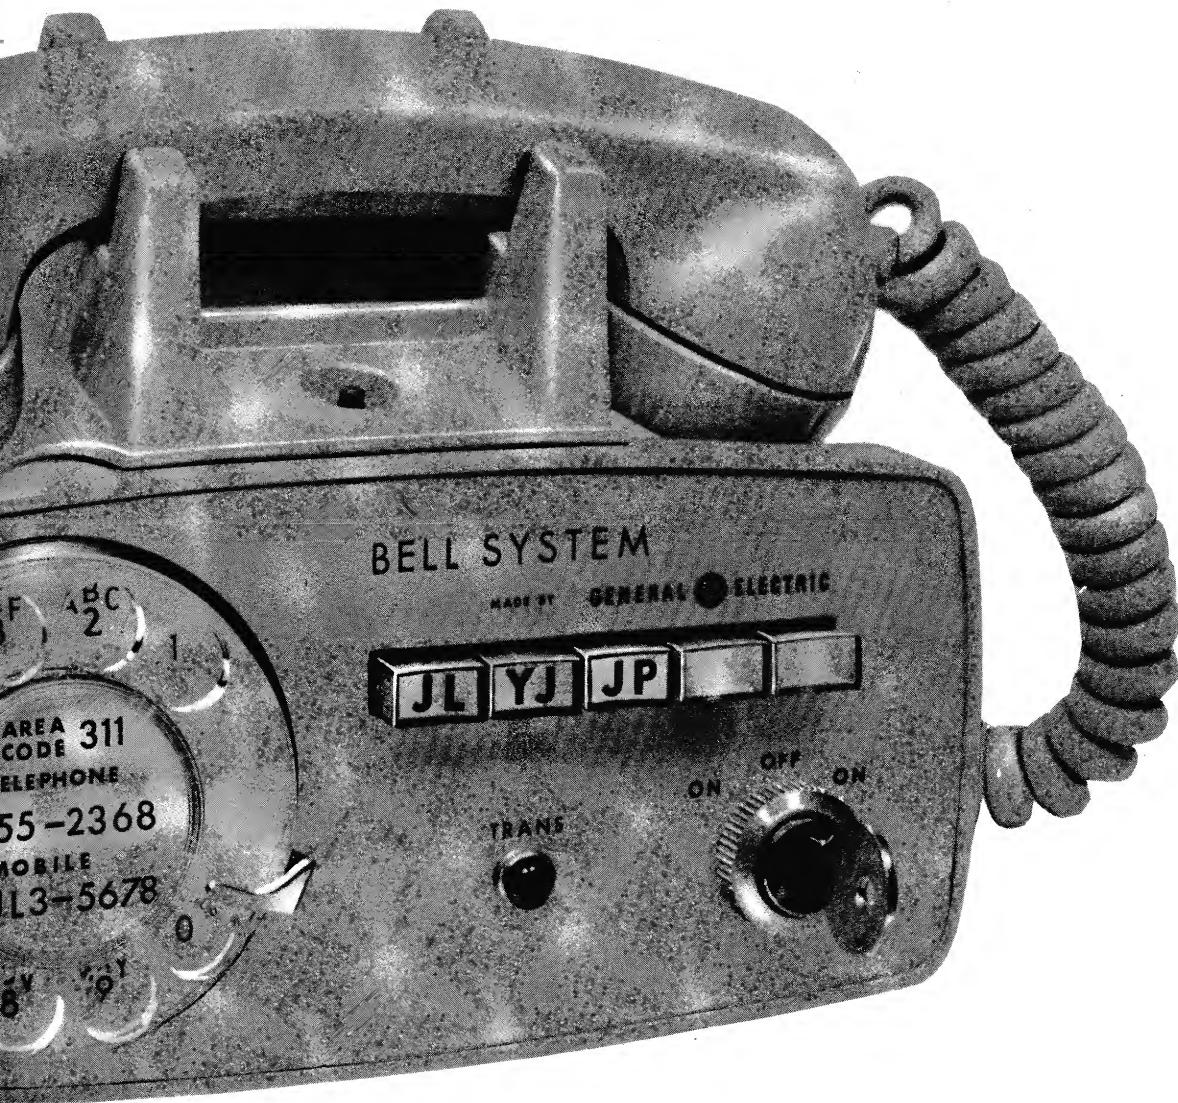

**maximum**

**flexibility**

**Fast, Fulltime Service.** You dial local or long distance calls from your car when in your home area. Calls go through fast — without operator assistance — 24 hours a day every day.

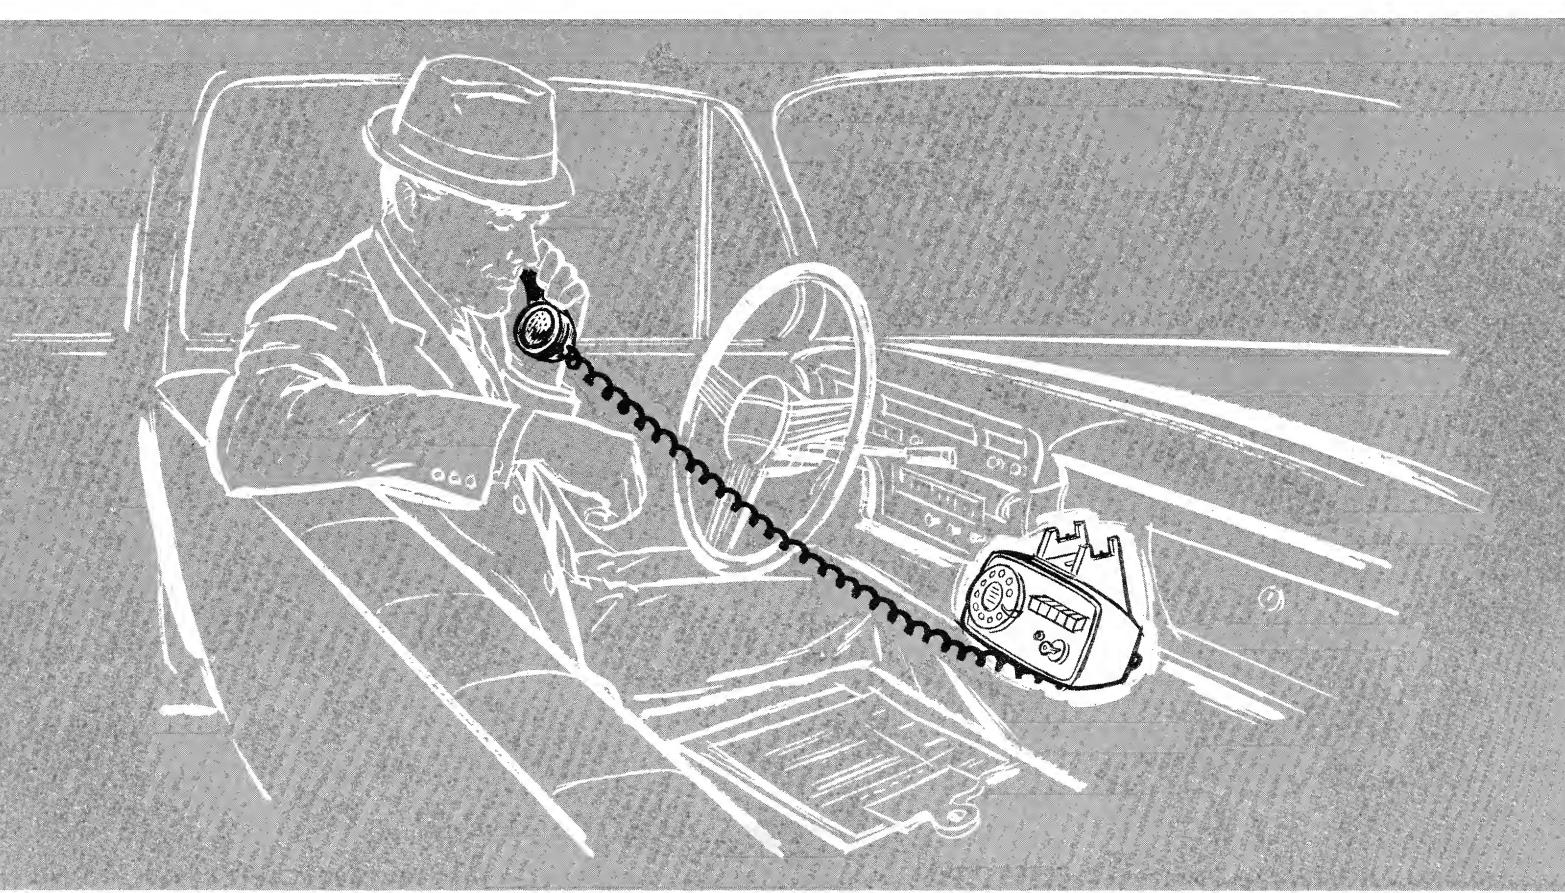

**Multi-Channel Selection.** If one channel is busy you simply push alternate channel selector button — avoid delays. Up to five channels, depending on local conditions.

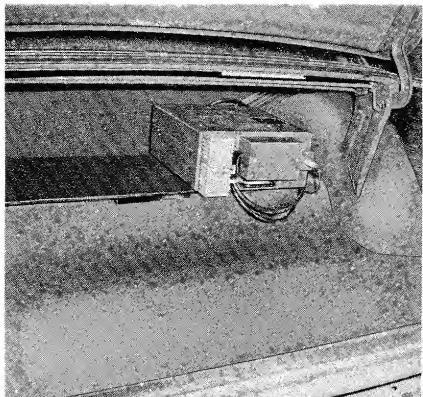

**Tight Control.** You can contact drivers on a moment's notice — dispatch vehicles from your office phone or any phone to cover fast-breaking situations as quickly as you can dial the call.

**Easy Access.** Customers can dial you on the road as quickly and easily as in the office. Your number is listed in the directory along with your office and home number.

**Substantial Savings.** There's no capital investment for Dial Mobile equipment. And our New York Telephone experts give you quick service on maintenance and repairs at no additional cost.

Dial telephone unit is attractive, easy to use, available in a range of colors. Mounts on the dashboard. Handy, yet out of the way.

Transmitter-receiver unit is compact — takes up about as much room as a small suitcase. It fits easily into the trunk of a car, with plenty of room to spare.

Today Mobile Telephone Service is providing new flexibility, increased efficiency, for a wide variety of customers, including:

**Contractors**

**Doctors**

**Government Agencies**

**Maintenance and Service Companies**

**Newspapers and News Agencies**

**Pick-up and Delivery Services**

**Public Service Companies**

**Salesmen**

**Trucking Companies**
